

**PEO Leadership | Innovators Alliance** is a Canadian leadership community for senior executives driven by growth. Our programs provide trusted environments where leaders sharpen judgment, strengthen presence, and learn alongside peers who understand the role.

**For more than 25 Years**

PEO Leadership | Innovators Alliance has helped hundreds of CEOs, entrepreneurs and senior executives make better business decisions.

### Networking and Community

Access to a curated network of ~200 executives for benchmarking, collaboration, and shared learning. Connect with other members through our Interactive Directory, available on the Member Portal.

### Proprietary Leadership Development Resources

Access tools designed to sharpen strategy, strengthen leadership capability, and accelerate organizational performance.

### Curated Events and Special Interest Peer Groups

Members will focus on issues shaping today's business environment and gain access to learning opportunities through our Eye of the Executive series, retreats, workshops, and our Annual Conference.

### Specialized Sector Groups

Participation in one specialized sector group (AI, manufacturing, SaaS, and more) to deepen connections and advance understanding on areas that matter most to your development.
