

PEO Leadership | Innovators Alliance is a Canadian leadership community for senior executives driven by growth. Our programs provide trusted environments where leaders sharpen judgment, strengthen presence, and learn alongside peers who understand the role.

For more than 25 Years

PEO Leadership | Innovators Alliance has helped hundreds of CEOs, entrepreneurs and senior executives make better business decisions.

Confidential Peer Advisory Boards - A Trusted Space

Members convene monthly for 3-hour sessions of honest, experience-based dialogue – challenging assumptions, pressure-testing strategy, and sharpening decisions.

Proprietary Leadership Development Resources

Access tools designed to sharpen strategy, strengthen leadership capability, and accelerate organizational performance. Connect and learn with other members through our Interactive Directory, available on the Member Portal.

Curated Events and Special Interest Peer Groups

Members will focus on timely issues shaping today's business environment and gain access to sector specific groups, learning opportunities through our Eye of the Executive series, retreats, workshops, and our Annual Conference.

Executive Advisory Support

A professional Advisor, an experienced former CEO or executive coach facilitates your meetings with objective, unbiased guidance. Senior Leadership Groups meet bi-monthly with their Advisor, while the Senior Leadership Exchange meets ten times a year.

Your membership with PEO Leadership | Innovators Alliance will challenge you to level up your success, challenge traditional thinking, and champion inventive ideas.

“ This leadership community has been a valuable support throughout some challenging times for my business. It has been a rewarding experience both professionally and personally, and I have made lasting friendships with smart people that I trust. ”

Grow your business through:

- A network of trusted advisors and peers who are emotionally engaged in supporting you;
- Ongoing access to thought leadership on emerging trends and opportunities, workshops and events customized for CEOs, entrepreneurs and senior leaders;
- Creating space to work on your business rather than ‘in’ your business.
